PRODUCT PERFORMANCE & CLAIM VERIFICATION CERTIFICATE

Date: 25.08.2026

Product Name:	Vacuum Bottle
Manufacturer:	Kohe Industries, (A Unit of Munix (India) Private Limited) C 48-51 Phase-III Ludhiana Ludhiana-141010

The above product/sample information was provided by the client.

Test Report No.:	AU1/260814-026
Sample Receiving Date:	14.08.2026
Testing Period:	14.08.2026 to 24.08.2026
Test Requested:	Food grade material testing
Test Method(s):	As specified in the referenced test report
Test Result(s):	Please refer to the reference test report

Test Requirement / Claim	Conclusion
Food grade material testing The tested sample was evaluated for compliance with the applicable requirements for food-grade materials under the specified test conditions and within the applicable method detection/reporting limits.	Pass

CERTIFICATION STATEMENT

Based on the Food grade material testing carried out on the submitted sample and the results reported under Test Report No. AU1/260814-027, the product identified above was evaluated for compliance with the applicable requirements for food-grade materials. The sample tested complies with the applicable requirements for food-grade materials under the specified test conditions and within the applicable testing limits

Accordingly, the sample tested supports the claim: SUITABLE FOR FOOD-GRADE MATERIAL APPLICATIONS.'

This certificate applies only to the specific sample/product identified above and is based solely on the testing performed and the results reported in the corresponding test report. It shall not be interpreted as a product certification, regulatory approval, or verification of any other product claim or characteristic not specifically covered by the referenced test report.
